

Legends marked with a • are 36" and 48" signs complete with fiberglass rib sets that are kept in stock for immediate shipping in reflective Super Bright™ and non-reflective (solid and mesh) materials. Legends in **bold orange** are typically used for emergency traffic control situations. Sign legends may be printed on any reflective or non-reflective material and custom legends are available for an additional temporary screen fee. Most legends may be equipped with velcro strips to allow overlays to be utilized.
